Your Civic Association of West Lake Brantley has been responsible for paved roads, maintenance on the boat ramp, main canal, & beach park, installation of fire hydrants, and we are the neighborhood's voice when we must reach out to the county regarding code enforcement, potential street name changes, or any other regulatory issue that would negatively affect this great community of ours. We also send community updates on any wildlife and other neighborhood issues. To keep our neighborhood close we have two annual events (see below) that you DON'T want to miss!!!

Please support the CAWL... you never know when you might need us and we can't do this without your support! Plus you get access to our beautiful lakefront beach park where you can even reserve the beach park pavilion for events for FREE!
